**VISION AND MISSION DOCUMENTS APPROVED BY THE  
COLLEGE BODIES**

## VISION AND MISSION OF JKKN DENTAL COLLEGE AND HOSPITAL

### VISION

To be a leading global innovative solutions provider for the ever-changing needs of the society

### MISSION

Help learners to become great dentists through top-quality education research, and clinical skill development.

Facilitate their understanding of how to use bio convergence to improve oral healthcare and become leaders in their field.

  
**PRINCIPAL**  
Dr S ELANCHEZHIAN, MDS.,  
J.K.K. NATTRAJA DENTAL COLLEGE & HOSPITAL  
KUMARAPALAYAM, NAMAKKAL - 638 183.  
JKKN TAMILNADU.

**Vision: To be a leading global innovative solutions provider for the ever-changing dental needs of the society**

- Establishing the Center for Innovation and Translational Research. This center would bring together researchers from different disciplines to work on innovative solutions to oral health problems.
- Development of a bioconvergence curriculum for students. This curriculum would teach students how to use cutting-edge technologies to improve oral health care.
- Partner with industry (dental and medical) to develop and commercialize innovative oral health products and services. This would help the college to bring its research findings to the market and make a real impact on oral health.

JKKN Dental College and Hospital aspires to be a pioneering force in delivering innovative solutions for society's evolving dental needs. We envision ourselves at the forefront of progress, continuously developing and implementing groundbreaking approaches to elevate the landscape of oral healthcare.

This vision is driven by a commitment to:

- **Anticipating Change:** We recognize the dynamic nature of society and its impact on dental care. By staying ahead of the curve, we can proactively address new challenges and opportunities.
- **Embracing Innovation:** We believe in the power of novel ideas and technologies to revolutionize dental education, research, and treatment.
- **Creating Impact:** Our vision is not merely about innovation for innovation's sake. We strive to develop solutions that make a tangible difference in people's lives.

By pursuing this vision, JKKN Dental College and Hospital aims to become a globally recognized leader in shaping the future of dentistry.

**Mission: Help learners to become great dentists through top-quality education, research, and clinical skill development. Facilitate their understanding of how to use bio convergence to improve oral healthcare and become leaders in their field.**

- Hire and retain top-quality faculty. This would ensure that students receive the best possible education.
- Provide students with opportunities for research and clinical experience. This would help students to develop the skills and knowledge they need to be successful dentists.
- Create a supportive learning environment. This would help students to thrive and achieve their full potential.

JKKN Dental College and Hospitals is dedicated to empowering learners to become exceptional dentists, equipped to excel in the ever-evolving field of oral healthcare. Our mission is multifaceted, focusing on:

- **Cultivating Expertise:** We provide top-tier education, ensuring our students possess a comprehensive understanding of dental theory and practice.
- **Nurturing Research:** We foster a culture of research, encouraging students and faculty to actively contribute to the advancement of dental knowledge.
- **Honing Clinical Skills:** We equip our students with exceptional clinical skills through practical training in state-of-the-art facilities.

J.K.K. NATTRAJA DENTAL COLLEGE & HOSPITAL  
KUMARAPALAYAM, NAMAKKAL - 638 183,  
TAMILNADU.

Additionally, we emphasize the following key areas:

- **Bioconvergence Integration:** We advocate for the incorporation of bioconvergence, the merging of various scientific disciplines, to enhance dental diagnosis, treatment planning, and patient outcomes.
- **Rural Outreach:** We recognize the importance of addressing the distinct oral healthcare needs of rural populations. Our mission involves developing initiatives to bridge the gap in access to quality dental care in underserved areas.
- **Leadership Development:** We cultivate leadership qualities in our students and staff members, empowering them to become future innovators and advocates for oral health equity.
- **Global Perspective:** We strive to foster a global outlook in our students, preparing them to collaborate and contribute to advancements in dentistry on a worldwide scale.

By fulfilling this mission, JKKN Dental College and Hospitals aspires to graduate a generation of dentists who are not only technically proficient but also innovative thinkers, leaders, and agents of positive change in the realm of oral healthcare.

Through these efforts, JKKN Dental College and Hospitals aims to produce dentists who are not only skilled practitioners but also visionary thinkers and leaders, poised to drive positive change in oral healthcare.
