|--------------------------------|---------------------------------------|
| <b>Name of the event</b>       | AI Tools for students                 |
| <b>Date</b>                    | 15.05.2023                            |
| <b>Location of Event</b>       | ENGINEERING COLLEGE COMPUTER LAB      |
| <b>Time</b>                    | 9-10.30am, 11.00 AM -12.30 PM, 2-30PM |
| <b>No. of persons attended</b> | 273                                   |
| <b>Learning facilitator</b>    | Mr.Omm sharravana                     |

The "AI Tools for Students" event, held on May 15, 2023, in the ENGINEERING COLLEGE COMPUTER LAB, aimed to introduce students to various artificial intelligence (AI) tools and applications that can enhance their learning experience and academic performance. Mr. Omm Sharravana served as the learning facilitator for the session, which attracted 273 attendees eager to explore the potential of AI in education..

Highlights: Practical Demonstrations: Attendees engaged in practical demonstrations of AI tools, allowing them to experience the benefits firsthand. Customized Learning: The event catered to diverse learning preferences, offering insights into AI tools tailored to individual needs and preferences. Empowering Students: Participants gained confidence in utilizing AI tools to optimize their learning experience and academic performance.

## POST EVENT REPORT

### CAREER COUNSELLING SESSION- TOPIC

### CRITICAL THINKING

|                                   |                             |
|-----------------------------------|-----------------------------|
| <b>Name of the event</b>          | <u>CRITICAL THINKING</u>    |
| <b>Date</b>                       | 28.02.2022                  |
| <b>Participants</b>               | FINAL YEAR BDS              |
| <b>Location of Event</b>          | FINAL YEAR THEORY CLASSROOM |
| <b>Time</b>                       | 10.30 AM TO 11.30 AM        |
| <b>Number of persons attended</b> | 104                         |
| <b>Guest Speaker</b>              | DR.A.SIVAKUMAR MDS.,        |

#### The following is the list of the session:

1. Students learned how to critically assess scientific literature, research papers, and clinical studies, enabling them to make evidence-based decisions in their dental practice.
2. The program included problem-solving scenarios that challenged students to identify issues, evaluate alternatives, and select the most appropriate solutions in various dental case studies.

#### After finishing the session course, you will be able to:

1. Enhance your confidence and competence in making critical decisions.
2. value collaboration and diverse perspectives in reaching well-rounded conclusions.

## POST EVENT REPORT

### A career counselling program on Brain storm -RED AND WHITE LESION

|                                   |                                   |
|-----------------------------------|-----------------------------------|
| <b>Name of the event</b>          | Brain storm -RED AND WHITE LESION |
| <b>Date</b>                       | 24.09.2019                        |
| <b>Location of Event</b>          | Third year classroom              |
| <b>Time</b>                       | 09-10.30 AM                       |
| <b>Number of persons attended</b> | 127                               |
| <b>GUEST SPEAKER</b>              | Dr.SASIREKHA M.D.S.,              |

A career counselling program on Brain storm -RED AND WHITE LESION was conducted on 24.09.2019 from 9.00 AM to 10.30 AM in Third year classroom. The speaker was Dr.SASIREKHA, ORAL MEDICINE AND RADIOLOGY

She gave an elaborate presentation about extra oral lesions and also taught the interns about clinical findings, provisional diagnosis, differential diagnosis, radiographic interpretations, treatment planning and drug of choice of various extra oral lesions. There was overall good feedback from all students
