5. ALUMNI CELEBRATION-2-11-2019

It was overwhelming to see the batch of 1994 coming back to their Alma mater [JKKN Dental College and Hospital](http://www.jkkn.ac.in) to celebrate their 25 years of joining BDS Course in JKKNDCH.

We were also thankful to receive a memento with the following words “We are Whom we are and Where we are because of you, encouraged us to go forth and explore. We acquire the skills that we treasure forever from here. Only Because if you, we have come so far is overated but it has never been more apt. Thankyou Dear Alma Matter’

6. Moonshot thinking for solution to Identified problems

20-12-2019-

JKKN is gearing up to celebrate 2020 as the year of Moonshots, Glad to inaugurate and listen to Moonshots in Dentistry during the Innovation day which is part of 33rd college day celebration at @JKKNatraja Dental College & Hospital. It was overwhelmed to witness and appreciate J.K.K.Natraja Institutions students and staff members taking Moonshots by celebrating Festival of Moonshots at [JKKN Institutions](http://www.jkkn.ac.in) The concept of Moonshot thinking is to choose a huge problem and propose to create a radical solution which is not 10% incremental improvement but focusing on a solution that would bring improvements to solve it completely by using a disruptive technology.

7.9th June 2020-Excellence in Online Dental education
