ANNUAL REPORT OF THE COLLEGE

ANNUAL REPORT 2022-2023

JKK Nattraja dental college was the culmination of the dream, efforts, and vision of our former chairman **kodaivallal thiru JKK Nattaraja sir**. The college which began its journey in 1987 under the able leadership of **our respected chairperson madam** and **our managing director sir** is now a full-fledged co-educational and research institution with an ultra-modern dental hospital reaching a milestone of thirty-five years.

This academic year has thrown a lot of challenges due to covid and exciting events This reach and mileage has been possible only due to the co-operative effort, dedication, support of the management, staff members, students and administrative staff. We strive for excellence, work hard towards providing a state of art dental health care to the local rural population with focus towards excellence, contributing to their health, wellbeing and betterment.

Today we are celebrating the 34th college day. Inauguration of the **34th college day celebrations VYUGAM 2K22** was done on the 7th APRIL 2022 by our **respected Chairperson madam, managing director sir AND Isvariya Lakshmi madam**. The occasion was marked by festivities and cultural events. This college day celebrations were kickstarted with the release of the title **KALAM 2K22** during the inauguration by

our chairperson madam and managing director sir. **This year the college day celebrations were organized by the host batch the RIORTZ**. This 34TH college day celebrations had also a fitting theme. The theme of the 33rd college day celebrations **KALAM 2K22** was **KALAIGALIN SANGAMAM**

PONGAL CELEBRATIONS:

PRINCIPAL

KUMARAPALAYAM, NAMAKKAL - 638 183.
JKKN TAMILNADU.

Symbolically, **Pongal** signifies the gradual beginning of heating of the earth as the Sun travels northward and is mainly celebrated as a thanksgiving harvest festival dedicated to sun god. Part of the celebration is the boiling of the first rice of the season consecrated to the Sun. In the Tamil language

the word **Pongal** means "overflowing," signifying abundance and prosperity. This also marks the advent of the Tamil month Thai on Pongal day which is very auspicious and famously signified by the saying "THAI PIRANTHAL VAZHI PIRAKKUM". Our college staff and students eagerly look forward for this event and participated in the **Pongal day celebrations** conducted this year at the **JKKN group of institutions** and were **placed second overall**.

COLLEGE AND HOSPITAL PERFORMANCE:

All **constituent departments** have contributed immensely towards providing quality dental care and have **worked together as a team**. We appreciate and place on record the outstanding efforts of all members of the constituent departments of our institution. Highly specialized and advanced technical procedures have been performed at our hospital successfully throughout the year.

This year more than **20** patients were operated under general anesthesia which includes **orthognathic, trauma and tumor surgeries**. Minor oral surgeries are routinely performed on campus every day which include 1500 impaction surgeries and 1200 minor surgical procedures. We take this opportunity to thank our **chairperson madam and our managing director sir** for their support in providing free dental treatment. Throughout the year we have conducted camps for the benefit of the local rural communities and providing quality dental care to the people of this region.

This year we have conducted **95** screening and treatment camps for **8291** patients, **42** treatment camps in which **471** patients were treated onsite, and the number of patients reported from camps to our parent hospital is **573**. This has given the opportunity to our training students to be exposed to different kinds of cases, situations and contributed immensely towards improving their clinical skills.

Our staff, undergraduate and post-graduate students have attended

ANNUAL REPORT 2019- 2020

My warm greetings and welcome to everyone for the 33rd college day celebrations. Good evening one and all. I am privileged and take immense pleasure in presenting the Annual Report of **JKK Nataraja dental college and hospital for the academic year 2019-20** documenting its growth, development and achievements and today we are celebrating the **33rd** college day, **MAGUDAM 2k19**.

The milestones which we reached this year are the result of untiring efforts, dedication, team spirit, hard work, support of the management, staff members, students and administrative staff. We strive for excellence, growth of the institution and the hospital, aimed at a better patient management and relationship, making available advanced dental treatment facilities, contributing to overall dental health and wellbeing of the local rural population.

INAUGURATION OF COLLEGE DAY CELEBRATIONS:

Inauguration of the 33rd college day celebrations MAGUDAM 2k19 was done on **22nd December 2019** by our respected Chairperson madam in the presence of our beloved managing director sir. The occasion was marked by festivities and cultural events. This college day celebrations had a very special theme **“UNLEASH THE FIRE WITHIN”**

PONGAL CELEBRATIONS:

Symbolically, **Pongal** signifies the gradual beginning of heating of the earth as the Sun travels northward and is mainly celebrated as a thanksgiving harvest festival dedicated to sun god. Part of the celebration is the boiling of the first rice of the season consecrated to the Sun. In the Tamil language the word **Pongal** means "overflowing," signifying abundance and prosperity. This also marks the advent of the Tamil month Thai on Pongal day which is very auspicious and famously signified by the saying **“THAI PIRANTHAL VAZHI PIRAKKUM ”**. JKKN TAMILNADU.

forward to this event and participated in the **Pongal day celebrations** conducted this year at the **JKKN group of institutions** and were **placed second overall**.

COLLEGE AND HOSPITAL PERFORMANCE:

All **constituent departments** have contributed immensely towards providing quality dental care and have **worked together as a team**. We place on record the outstanding efforts of the constituent departments. Conservative procedures, pediatric dental procedures, prosthetic procedures, periodontal procedures, diagnostic and histopathological analyses have been performed at our hospital successfully throughout the year.

Our staff and students have attended conferences, workshops, seminars this year at **state, national and international level** and presented papers. A total of **thirteen** publications in reputed journals have been done this year in our institution. This year more than **25** patients were operated under general anesthesia which includes **orthognathic, trauma and tumor surgeries**. Minor oral surgeries are routinely performed on campus every day. This year we are planning to conduct a **gold medal examination** for all students all over Tamil Nadu in conjunction with the celebrations of **oral surgery day**.

This year we have conducted **83** screening camps for **12577** patients, **17** treatment camps in which **475** patients were treated onsite, and the number of patients reported from camps to our parent hospital is **3949**. The number of patients screened and treated at our satellite clinics at elantha kuttai, trust hospital, sadayampalayam and sankari is **1120** and **528** respectively. This has contributed to the steady increase in the patient inflows and has given the opportunity to our students to be exposed to these cases and contributed immensely towards improving their clinical skills. The highlight of this year has been the crossing of the outpatient inflow to more than **300** cases on a single day. We take this opportunity to thank our chairperson madam and our managing director sir for their support in providing free dental treatment. This year our total annual new registrations have crossed **50000** cases.

The “Graduation Day” ceremony for the academic year 2017 is scheduled for 17th December 2017 where a total of 88 undergraduate and 7 postgraduate students would receive their degrees from the chief guest **Dr. A. Edwin Joe**, M, D., Director of medical education, Health and family welfare department, Govt of Tamil Nadu.

CDE PROGRAMMES

Over the past one year a number of continuing dental education programs and intercollegiate competitions were conducted. These programs also included inter collegiate student and staff participation from the regional colleges. These events have given our students a great opportunity to improve their knowledge and showcase their academic skills.

ALUMNI ASSOCIATION

I am proud to inform you that the past students of our college have been actively involved with college through Alumni Association activities and the alumni academic forum. We have made constant efforts to set ourselves in a dedicated manner to promote our learners and make them empowered with qualities of honesty, patience, punctuality, hard work, dedication, sincerity, decision making and many more skill levels.

J.K.K. NATTRAJA DENTAL COLLEGE & HOSPITAL
KUMARAPALAYAM, NAMAKKAL - 638 183.
JKKN TAMILNADU.

is scheduled for 17th December 2017 where a total of 88 undergraduate and 7 post graduate students would receive their degrees from the chief guest **Dr. A. Edwin Joe**, M, D., Director of medical education, Health and family welfare department, Govt of Tamil Nadu.

CDE PROGRAMMES

Over the past one year a number of continuing dental education programs and intercollegiate competitions were conducted. These programs also included inter collegiate student and staff participation from the regional colleges. These events have given our students a great opportunity to improve their knowledge and showcase their academic skills.

ALUMNI ASSOCIATION

I am proud to inform you that the past students of our college have been actively involved with college through Alumni Association activities and the alumni academic forum. We have made constant efforts to set ourselves in a dedicated manner to promote our learners and make them empowered with qualities of honesty, patience, punctuality, hard work, dedication, sincerity, decision making and many more skill levels.
