DIVYANGJANPOLICY

Mission

In our Institution we strictly abide by the Rights of Persons with Disabilities Act. 2016 which prohibits discrimination against individuals with physical and mental disabilities. Our Institute focuses on promoting an inclusive learning, teaching and working environment in which disabled students and staff are not disadvantaged or treated unfavourably. The policies of our Institution apply to all teaching, non-teaching staff members and students of the Institution. The relatives of students, staff, patients and their attendees are open to use the Divyangjan facilities available in the college campus

Objectives

1. To create awareness about Divyangjan guidelines among all students and staff of our Institution through sensitization programs,
2. To enable a barrier free campus for easy transportation of person with disability
3. To provide equal educational opportunities to differently-abled persons in the Institution
4. To prioritize treatment for appointments for patients with disability
5. To provide assistance to patients with disabilities and provide prioritized best care and excellent dental treatment
6. To guarantee that no disabled person will be deprived of their personal liberty based on their disability
7. To monitor the status of education, its improvement and completion of studies
8. To monitor the status of patients oral condition, the treatment plan and follow up
9. To allot scribes to students whenever need arises

Infrastructural facilities available

- 1.Ramps and Lifts are available
- 2.Friendly washrooms and tactile pathway are available
- 3.Wheel chair and Human assistance available
- 4.Divyangjan accessible screen reading software installed in the reception.
