

# OBJECTIVES

**Fundamental Knowledge:** Build a strong foundation in implantology, including anatomy, case selection, and treatment planning.

**Surgical Skills:** Provide hands-on training in implant placement.

**Prosthetic Considerations:** Brief discussion in implant-supported prosthetic options, impression techniques, and occlusion.

**Radiographic Interpretation:** Train students basics in CBCT imaging for precise implant placement.

**Complication Management:** Identify, prevent, manage surgical and prosthetic complications.

**Patient Communication:** Enhance skills in patient education, consent, and post-op care.

# Learning Outcomes

- **Clinical Competence:** Perform basic implant placement under supervision.
- **Treatment Planning:** Develop comprehensive treatment plans integrating implants.
- **Diagnostic Proficiency:** Use CBCT and digital tools for implant planning.
- **Patient Management:** Improve communication and post-operative care skills.
- **Critical Thinking:** Assess complex cases and make evidence-based decisions.
- **Prosthetic Skills:** Understand and apply implant-supported prosthetic options.
- **Lifelong Learning:** Adapt to advancements in implantology through continuous education.

This concise framework ensures focused learning and skill development in implant dentistry.

## CHIEF MENTOR

**DR. MAGESH PERIASAMY, MDS**  
DENTAL BAY, THADAGAM, MAIN RD,  
VELANDIPALAYAM, COIMBATORE

Dr. Magesh Periasamy is an accomplished aesthetic dentist with over 14 years of experience, specializing in Digital Smile Designing (DSD), aesthetic rehabilitation, and guided implant surgeries. He graduated from Sri Ramakrishna Dental College (2010) and completed his postgraduation in prosthodontics (2011). He holds certifications in dental implantology from Nobel Biocare (2010), guided implant surgeries from NYU (2018), and is a BPS-certified prosthodontist under Ivoclar (2022).

Dr. Magesh has been a Senior Clinical Associate at Nandha Dental College since 2021. He founded Dental Bay, Coimbatore, in 2013, catering to clients worldwide. He pioneered the "Crown in One Hour" practice in Coimbatore using Dentsply Sirona technology.

Beyond dentistry, he enjoys fitness, dental photography, general photography, and console gaming.

**DR. R. MANIKANDAN MDS**  
DISTINGUISHED ALUMINI FOR ALUMINI EXPERTISE  
Q AND A SESSION WITH INTERACTION

Dr. R. Manikandan MDS  
Graduated undergraduate from JKKN Dental College (2000-2006). Completed postgraduation at Annamalai University (2007-2011).

Worked as a Senior Lecturer at:  
KSR Dental College (2011-2015)  
Vivekanandha Dental College (2015-2018)  
Presented numerous CDE lecture programs and keynote lectures at IDA and various dental colleges.  
Has National and Indexed Journal Publications.

# COURSE SCHEDULE

16.4.2025 Wednesday - 10.00.am to 1.30.pm  
Design Thinking Activity to CRI participants for Empathy  
and Define ideate in identified problem statement by  
Department of Prosthodontics

## MODULE -1

16/4/ 2025 - Wednesday-Design thinking  
( Empathize, Define, Ideate)  
Batch-A - Timing - 10.00.am to 11.30 am  
Tea break -11.30.am to 12.00 pm  
Batch-B-12.00.pm to 1.30 .Pm

## MODULE-2-23/ 4/ 2025 - Wednesday

Timing -  
9.00. am to 10 am - Inauguration  
10.00.am - 11 .00.am- Lecture 1  
11.00.am - 11.15 .am - Tea Break  
11.15.am to 12 .00.pm - Lecture 2  
12.00. pm to 12.30.pm - Question and  
answer session  
12.30.pm- 2.00.pm - Lunch Break  
2 .00.pm to 5.00. pm - Live Demo

24/4/2025-Thursday- 9.00.am-10.00.am  
Enrichment with Alumni expertise for  
Implantology  
Timing  
10 .00.am- 5.00.pm -Hands on (Batch A)-  
Prototyping and testing.

25/4/2025-Friday  
Timing  
9 .00.am- 5.00. Pm - Hands on ( Batch B) -  
Prototyping and testing.

# OUR PATRONS

## CHIEF PATRON
